AUGUST ISSUE · NO. 01

Welcome, Wildcat Families!

A NOTE FROM MRS. PATERSON

I am so honored to be building this program from the ground up — there's something truly special about a beginning like this one, and I can't wait to watch it take root and grow. I'm looking forward to getting to know our families, walking alongside our students, and wearing orange and black as a Wildcat.

— Dr. Paterson, Agriculture Teacher & FFA Advisor

FEATURED

Our First-Ever Officer Team

14 seats. Applications open August 13, close August 17 at 5:00 PM. Scan to apply, or find the form at winterparkffa.org/apply.html.

CLASS SUPPLY LIST

- 1-inch, 3-ring binder
- Colored pencils
- Scissors
- Notebook (scientific notebook)
- Markers
- Page protectors
- Pencils

Scientific notebooks and binders stay in the classroom. Coursework is a mix of digital assignments, hands-on activities, and paper-and-pencil writing.

OUR PROGRAM

This year we're teaching three courses — Agriscience Foundations 1, Animal Science & Services, and Agritechnology — each built on real Florida standards.

SAE FOR ALL

Every FFA member completes a Supervised Agricultural Experience — a real project outside the classroom. It can be plant-based, animal-based, or research-based, so every student starts somewhere. More at saeforall.org.

OFFICIAL DRESS ORDERING

Ordering a jacket? Our chapter number is **FL0096** — enter it at ShopFFA.org under "Personalize" and it will automatically fill in our state and chapter name for the back lettering. Full ordering steps are on the Program page at winterparkffa.org.

Our Amazon Wish List

Every classroom item helps a student. Scan the code to see what our program needs right now — from supplies to equipment.
